

Barcelona, October 2011

Postdoctoral Position, Signaling and Gene Expression in Immune Cells

Universitat Pompeu Fabra and Parc de Recerca Biomédica de Barcelona, Departament de Ciències Experimentals i de la Salut

- We seek for a candidate to apply to the next **Juan de la Cierva Programme** call (Ministerio de Ciencia e Innovación) with our laboratory. This competitive call of three-year contracts will open for applications around February 2012 and is expected to resolve around June 2012. **Candidates should have obtained their PhD in 2009 or later, or alternatively, plan to obtain it before June 2012.** The link to the previous call guidelines: <http://www.boe.es/boe/dias/2010/12/28/pdfs/BOE-A-2010-19995.pdf> The selected candidate will also apply to other postdoctoral programmes such as “Beatriu de Pinos” and “Alianza 4 Universidades”.
- We look for a highly motivated candidate interested in the study of the mechanisms of signalling and gene expression in inflammatory cells. For more information follow the link: <http://www.upf.edu/immuno/descripcio>
- The following aspects would be considered during the selection process: 1) Experience working in immunology, 2) Experience using mouse models, 3) Good level of written and spoken English, 4) Real interest in confronting and resolving technical and scientific problems/challenges, 5) Two or three research publications as a first author.
- **Interested candidates please contact Dr Cristina Lopez via email (cristina.lopez-rodriguez@upf.edu) or Dr. José Aramburu (jose.aramburu@upf.edu) with a letter of interest, the curriculum vitae, and the names and contact information for two references.**

Cristina López-Rodríguez and José Aramburu
Universitat Pompeu Fabra,
Departament de Ciències Experimentals i de la Salut,
Parc de Recerca Biomédica de Barcelona
08003 Barcelona, Spain.
Telephone: office, +34 93 316 0810 (CLR) +34 93 316 0809 (JA)
E-mail: cristina.lopez-rodriguez@upf.edu or jose.aramburu@upf.edu

Applications will be received until the position is filled.
