OVERALL ENROLMENT AUTHORIZATION:

Signature of the doctoral student

These data will be stored and processed in Universitat Pompeu Fabra files for the purpose of managing the public service of higher education thereof. Consequently, these data will be used for accomplishing the functions deriving from the relationship of the student with the University, as described in the resolution of creation of the file of academic management (resolution of 27th of June 2003), and also for disseminating UPF information, products and activities and for keeping institutional relations (resolution of 8th of March 2004).

These data may only be disclosed to third parties when such a disclosure is authorised by a law (Social Security General Treasury), to other administrations for performing like competences or concerning the same matters (Department of Universities, Research and Information Society; Ministry of Education, Culture and Sports) and whenever necessary to develop the legal relationship with the interested person (banks for managing the payment of the registration fees, Agency for the Management of University and Research Allowances).

With the previous consent of the student, these data may be disclosed to organisations related to UPF or providing educational services (courses, scholarships, benefits for students). However, data concerning students having graduated more than one year ago will not be disclosed in any case. To give such a consent you must click in the box I hereby authorise the disclosure of my address data, at the bottom of the Address screen.

The body responsible for the University files is the manager. Rights to access, correct, cancel or object to data in these files may be exercised by applying in writing, including a photocopy of your identity card or equivalent, to:
