## ACADEMIC INFORMATION

### Course Offerings

Students can enroll in any course while at Queens College as long as they have met the pre-requirements (if any).

Exchange applicants are encouraged to explore the different departments before arrival on the Queens College Website.

When they are finally accepted into the university, they will have access to CUNYfirst and search for classes offered the following semester. There is no guarantee you will be able to enroll in all of your desired courses.

#### Students can only take 4 classes (12 credits)

- In general, **Exchange Students are not allowed to take English “W” courses, as they are very intensive.** Exceptions may be made for English majors. This rule does not apply to native speakers.
- Education classes are not guaranteed.
- BALA (Business) may have restrictions on the number of BALA courses one student can take
- Students—with the exception of music students—are also not allowed to take Graduate Courses (700-level Courses).
- If a graduate student would like to study at Queens College, he/she must enroll in undergraduate classes.
- Music students must audition.

**March** - Fall courses are posted on CUNYFirst.  
**Early November**- Spring courses are posted on CUNYFirst.
