

We inform you about the following agreement that was taken in the last meeting of the Teaching Commission of the Department of Information and Communications Technologies on **October 29th, 2019**:

"After being accepted to the PhD program, the assessment of the records of candidates to the **fifth period of application** and in accordance with the criteria of selection, it was agreed to grant PhD fellowships (predoctoral researcher contract's -PRC) for the year 2019-20 to the following candidates:

1. ID number: 75486052Y under the supervision of Dr. Antoni Ivorra.
2. ID number: 47476588B under the supervision of Dr. Jérôme Nocilly.
3. ID number: 120913101160 under the supervision of Dr. M. A. González Ballester.
4. ID number: 140121100112 under the supervision of Dr. M. A. González Ballester.

The fellowships (Predoctoral Researcher Contracts - PRC) are awarded according to the approved criteria and will have to accomplish the following requirements:

- To renew the fellowship after the first year, students must demonstrate oral proficiency in Spanish or Catalan level A2. - All fellowship holders (predoctoral researcher contract holders - PRC) must state their link to the ICT Department and to the UPF in their research.

The specific type of contract corresponding to each selected candidate will be agreed with the relevant tutor.

-Full PhD DTIC (PIPF1) : Includes teaching assistance tasks (45 hours). Minimum monthly Gross Salary 1343,97€*

- PIPF2: Includes teaching assistance (45 hours) and research tasks. Minimum monthly Gross Salary 1343,97€* (898,44€ funded by the Department + extra amount funded by the research project).

Non-EU students will have a reduction of 24 % the three first months (till December, if the contract starts in October). The corresponding taxes will be deducted from January when the new fiscal year starts. () These amounts correspond to the wages of 2019-20 academic course.*
