*September 2018*

### ANDREU MAS-COLELL

**Date of Birth:** 29 June, 1944

**Permanent Address:** Universitat Pompeu Fabra  
Dept. of Economics and Business  
Ramon Trias Fargas, 25-27  
08005 Barcelona, Catalonia, Spain  
e-mail: andreu.mas-colell@upf.edu

#### **Education**

Undergraduate studies in Economics at the Facultat de Ciències Econòmiques of the University of Barcelona. Degree (Licenciado) obtained in 1966 at the Universidad de Valladolid (Bilbao, Spain).

Graduate studies in Economics at the Department of Economics of the University of Minnesota, supported by an Andreas Fellowship and a Beca of the Fundación Juan March (Madrid), (1968-1972); Ph.D. degree obtained in August 1972.

#### **Employment**

Minister of Economy and Knowledge of the Government of Catalonia (from December 2010 to January 2016).

Secretary General of the European Research Council (July 2009-August 2010).

Professor of Economics at Universitat Pompeu Fabra (1995-).

Minister of Universities, Research and the Information Society of the Generalitat de Catalunya (April 2000-Dec 2003).

Commissioner for Universities and Research of the Generalitat de Catalunya (April 1999-April 2000).

Professor, Department of Economics, Harvard University (1981-1996). In 1988 became the first Louis Berkman Professor of Economics.

Research Fellow at MSRI (Berkeley) and Ford Visiting Professor, University of California, Berkeley (1985-1986).

Visiting Professor, Facultat de Ciències Econòmiques, Universitat Autònoma de Barcelona (1981-1982).

Professor, Departments of Economics and Mathematics, University of California, Berkeley (1979-1981).

Associate Professor, Departments of Economics and Mathematics, University of California, Berkeley (1977-1979).

Assistant Professor, Departments of Economics and Mathematics, University of California, Berkeley (1975-1977).

Visiting Scholar, University of Bonn (1976-1977).

Assistant Research Economist, Department of Economics, University of California, Berkeley (1972-1975).

Teaching position (Profesor Ayudante) in the Cátedra de Teoría Económica of the Facultad de Ciencias Económicas of the University of Madrid (1966-1968).

### **Honors and Awards**

Foreign Associate of the National Academy of Sciences of the USA, elected in 1997.

Foreign Honorary Member of the American Economic Association, elected in 1997.

Fellow of the American Academy of Arts and Sciences since 1985.

Member of the Institut d'Estudis Catalans since 2005.

Member of the Real Academia de Ciencias Morales y Políticas, 2009-2012.

Fellow of the Econometric Society since 1978.

Delivered Walras-Bowley Lecture at the 1997 North American Summer Meeting of the Econometric Society, Pasadena.

Delivered Fisher-Schultz Lecture at the 1985 Cambridge World Meeting of the Econometric Society.

Doctor Honoris Causa, Universidad de Alicante, 1992, Spain.

Doctor Honoris Causa, Université de Toulouse, Toulouse, 2002, France.

Doctor Honoris Causa, HEC, Paris 2005, France.

Doctor Honoris Causa, Universidad Nacional del Sur, Bahía Blanca, 2007, Argentina.

Doctor Honoris Causa, University of Chicago, 2015, US.

Recipient of the Creu de Sant Jordi of the Generalitat de Catalunya, 2006.

Recipient of the Science Prize of the Fundació Catalana per a la Recerca (1994)

Recipient of the Narcís Monturiol Medal for Scientific Merit given by the Generalitat de Catalunya (1990).

Recipient of the Rey Juan Carlos Prize in Economics (1988).

Recipient of the Spanish National Research Prize in Social Sciences Pascual Madoz, 2006.

Guggenheim Fellow (1985-1986).

Sloan Fellow (1978-1980).

Recipient of N.S.F. Grants in 1978-1982, 1982-1984, 1985-1987, 1991-1993.

Co-recipient of the Israel-US Binational Science Foundation Grants in 1986 and 1993-96.

Recipient of DGICYT Grant (APC96-0017) from Spanish Education Secretary in 1996 and of DGICYT (PB95-0893) from Spanish Education Secretary for 1996-1999 and of DGI Grant (SEJ2006-09993/ECON).

Member of the Executive Committee of the International Economic Association (1999-2005).

Coordinator of Consolider Award, “Consolidating Economics” from the Ministerio de Educación y Ciencia, 2006.

Recipient of the Cercle d’Economia Prize (May 2008).

Member of the Council of the Institut d’Estudis Nord-americans since 2008.

Recipient of the Reconeixement CECOT al Progrés Empresarial (November 2008).

Co-recipient of the “Prof. Luigi Tartufari” International Prize for Economic Sciences, Accademia Nazionale dei Lincei (June 2009).

Member of the Academia Europaea since July 2009.

Co-recipient of the Prize Fundación BBVA Fronteras del Conocimiento en Economía, Finanzas y Gestión de Empresas 2009.

Fellow of the Society for the Advancement of Economic Theory since July 2011.

Fellow of the Game Theory Society since June 2017.

Recipient of the Erasmus Medal of the Academia Europea and delivered the Erasmus Lecture at the 29th Annual conference of the Academia Europaea, September 2017.

### **Journal Editing**

Associate Editor of Theoretical Economics (2006-2008).

Editor of Econometrica (1988-1992).

Editor of the Journal of Mathematical Economics (1985-1989). Member of the Advisory Board (1989 – present).

Member of the Advisory Council of Economic Notes (1990-1994).

Associate Editor of the Economic Theory (1990-1994).

Associate Editor of Mathematics of Social Sciences (1990-1997).

Associate Editor of Revista Española de Economía (1984-1990).

Associate Editor of Games and Economic Behavior (1993-1995).

Associate Editor of Journal of Mathematical Economics (1977-1985).

Associate Editor of Econometrica (1978-1984).

Associate Editor of the SIAM Journal of Applied Mathematics (1977-1980).

Associate Editor of the Journal of Economic Theory (1975-1980).

Member of the advisory Board of International Journal of Game Theory (1999-2003).

Member of the Advisory Board of the Mathematics and Financial Economics (2006-2009).

### **Professional Activities**

National Science Foundation Panel for the evaluation of research proposals (1978-1980).

Member of Nominating Committee of the American Economic Association, 1990-1995.

Assistant Dean for Affirmative Action of the College of Arts and Sciences (1980-1990), at Harvard University.

Member of the Visiting Committee of the Department of Economics of the University of California, Santa Barbara, 1985.

Chair of Visiting Committee of the Department of Economics at the University of Pennsylvania, 1993-1994.

Chair of Visiting Committee of the Department of Economics at The Hebrew University of Jerusalem, 1996.

Chair of Visiting Committee of the School of Economics and Business of the Universidade Catolica de Lisboa, 2004

Member of the Visiting Committee of the CORE Research Center, Lovaina University, 1998.

Member of the Comisión XII of the Consejo de Universidades for the modification of the Economics curricula at Spanish Universities, 1985.

Member of Ad Hoc Committee appointed by the Spanish Minister of Education to determine criteria for merit research and salary increases for Spanish university professors (1989-1990).

Chair of the Commission on “The Structure and Instruments of Science Policy” for the “Acción CRECE” promoted by COSCE (Confederación de Sociedades Científicas de España”), 2005.

Member of the first Executive Board of the Universitat Pompeu Fabra, Barcelona (1990-1994). Vice rector, 1996.

Head of the Economics and Business Department, Universitat Pompeu Fabra (1997-1999).

President of the Econometric Society (1993).

Second Vice President and First Vice President (1992) of the Econometric Society (1991).

Member of the Executive Committee of the Econometric Society (1986-1994).

Member of the Executive Council of the Econometric Society (1982-1989), (1998-2002).

First President of the Asociación Española de Economía/Revista Española de Economía (AEA/REE), (1996-1998).

Member of the Editorial Board of “The New Palgrave Dictionary of Economics, 2nd edition” (2003).

Member of the Council of the Game Theory Society (2001-2007).

Member of the Executive Council of the European Economic Association (2005-2007).

President of the Advisory Scientific Council of Telefónica, Investigación y Desarrollo (2005-2008).

President of the European Economic Association for 2006.

Member of the Research Committee of the Societat Econòmica Barcelonesa d'Amics del País, SEBAP, 2006-2008.

Member of the International Advisory Board (IAB) of the Faculty of Economics and Business Administration (FEBA), University of Maastricht (2006-2009).

Member of the Board of IMDEA (Instituto Madrileño de Estudios Avanzados) (2004-2007).

Member of the Advisory Scientific Council of the Paris School of Economics (2006-2008).

Member of the Advisory Scientific Council of the Toulouse School of Economics (2006-2008).

Member of the Scientific Advisory Committee of COEURE (Cooperation on European Research in Economics) since 2014.

Chairman of the Board of the Barcelona Graduate School of Economics (2006-2010).

Member of the Scientific Advisory Board of the Centre de Recerca Matemàtica (2007-2009).

Member of the Panel for the International Benchmarking Review of UK Economics, 2008.

Member of the Board of Directors of Cercle d'Economia (2008-2010).

Member of the Scientific Committee of Abertis Foundation, 2008.

Member of the Advisory Board /Council of the Barcelona Institute of Architecture (BIA), 2009.

Member of the Jury for the Economics, Finance and Management Prize, BBVA Foundation Frontiers of Knowledge Awards, 2011-present.

Chairman of the Barcelona Institute of Science and Technology (BIST) since June 2016.

Member of the Advisory Board of "La Caixa" Foundation since July 2016.

Member of the Scientific Advisory Board of "Fundación Luzón, Unidos contra la ELA" since March 2017.

## **PUBLICATIONS**

### **Books and pamphlets**

Noncooperative Approaches to the Theory of Perfect Competition (editor), Academic Press, 1982. It includes a Presentation chapter.

The Theory of General Economic Equilibrium: A Differentiable Approach, Cambridge University Press, 1985. Paperback edition, 1990. Spanish translation by A. Manresa published by Fundación Argentaria, 1992.

Contributions to Mathematical Economics, in Honor of Gérard Debreu, (joint editor with W. Hildenbrand), North-Holland, 1986.

Equilibrium Theory and Applications (joint editor with W. A. Barnett, B. Cornet, C. d'Aspremont and J. J. Gabszewicz), Cambridge University Press, 1991.

Microeconomic Theory (with M. Whinston and J. Green), Oxford University Press, 1995. Chinese translation: 2001.

Cooperation: Game Theoretic Approaches (joint editor with Sergiu Hart) NATO ASI Series. Serie F, Vol. 155, Springer Verlag, 1997.

Nuevas Fronteras de la Política Económica, 1998, (joint editor with Massimo Motta, published by CREI, 1999).

Higher Aspirations: An Agenda for Reforming European Universities, (with Philippe Aghion, Mathias Dewatripont, Caroline Hoxby and André Sapir.). Bruegel Blueprint Series Num. 5, Bruegel, 2008.

Simple Adaptive Strategies from Regret-Matching to Uncoupled Dynamics (with S. Hart), World Scientific Series in Economic Theory, Vol. 4, 2013.

General Equilibrium and Game Theory, Ten Papers, Harvard University Press, 2016.

Translation into Spanish of G. Debreu's Theory of Value (with J. Olliu) Editorial Bosch, Barcelona, 1974.
