

RESTRICTED CALL FOR APPLICATIONS 2018-2019 ERASMUS+ SCHOLARSHIPS FOR INCOMING MOBILITY TO UPF FROM SERBIA

Since there are remaining funds from the project **2017-1-ESO1-KA107-037693** of mobility partner countries of the EU awarded to UPF under the Erasmus+ programme and, more precisely, for the Serbia lot, due to shorter mobility periods for granted students;

According to the Erasmus+ programme guide and the Call for applications 2018-2019 Erasmus+ Scholarships for incoming mobility to UPF from Serbia guidelines, published on 12th April 2018;

Given that the competence to award grants and scholarships to students participating in exchange programmes falls (by delegation of powers in accordance to Article 6 in the UPF Rector's order of May 24th, 2017) under the responsibility of the Vice-rector for internationalization projects;

I resolve:

First. To offer an extraordinary scholarship under the Erasmus+ International for incoming staff mobility from partner university in Serbia to UPF, under the conditions stated in the above mentioned call.

Second. Only candidates with a formal invitation from a host professor at the UPF will be considered.

Third. The deadline for reception of applications is April 29th, 2019

Signed by the Vice-rector for internationalization projects
(by delegation of powers in accordance to article 6 in the UPF Rector's order of May 24th, 2017)
