The Social Dilemma	Digital 2021: The state of the internet	Free ONLINE - RAW CHOCOLATE CLASS - GUILT FREE VALENTINES DECADENCE
<p>The acclaimed Netflix docudrama 'The Social Dilemma' digs deep into silicon valley, looking at how the technology that connects us also controls us, manipulates us, polarises us, distracts us and monetises us. We are delighted to be joined by some of the team behind this project, including Director Jeff Orlowski, to discuss the film, social media, and the future.</p> <p>This event is cohosted with the University of Cambridge's ThinkLab.</p>	<p>With a global pandemic shaping all elements of life in the last 12 months, this year's Global Digital Report will be a fundamental reflection on how this has affected the digital world. TikTok's rise to prominence and video call meetings becoming commonplace are just a few of the changes that we have witnessed in the past year, allowing digital's role in our lives to reach new heights.</p>	<p>We are passionate about sharing the love of cacao, one of the most amazing super foods. We want to share with you, how easy it is to prepare healthy, guilt free, but decadent raw cacao treats at home. Naturally dairy and refined sugar free. Join us to learn how to :</p> <ul style="list-style-type: none"> - make a basic raw chocolate recipe and then use this to create various chocolate creations and flavours - make peppermint 'nocolate' - a chocolate fudge type slab filled with nutrients and flavour - a raw cacao elixir

Fruit of the work of genius architect Antoni Gaudí, the project was promoted by the people for the people. Five generations now have watched the Temple progress in Barcelona. Today, more than 135 years after the laying of the cornerstone, construction continues on the Basilica.</p>
