

Date of publication of the job offer: 18/11/2021

Job title: Research Assistant

Job description

The candidate will work on the elaboration of a new dataset on parliamentary debates. The main candidate's task is to process, clean and transform into a text corpus the minutes of parliamentary sessions.

Project and Institution that finance the contract

Grup de Recerca en Teoria Política
Universitat Pompeu Fabra, Departament de Ciències Polítiques i Socials

Information on the minimum requirements

The candidate needs to have good skills in creating, coding and managing text data. Good knowledge of text analysis in R and web scraping is required, as well as good knowledge of Catalan and Spanish languages. Being able to read/speak in English will be positively evaluated. He/she also needs to have academic experience.

Benefits of the opening

The contract will last for 3 months (January-March 2022), in a 10-hours week journey. The candidate will be able to work remotely, and we expect no more than 5 in-person meetings. The contract includes a gross salary of monthly 624.85€ plus social security benefits.

Information on the application process

The candidate needs to send a copy of his/her Curriculum, along with a motivation letter of no more than 1 page in Catalan, Spanish or English, to the Department of Political and Social Sciences (secretaria.cpis@upf.edu).

Deadline to submit applications: 15th December, 2021
