

Date of publication of the job offer: 04/09/2024
Job title: Research Technician (ref. MELIS-PSR-INDF-2024-47)
Research line: <i>Generació de dades i anàlisis genòmics, transcriptòmics i proteòmics de mostres primats.</i>
Project and Institution that finance the contract: AL00623 - Regulació de l'adscripció parcial del Dr. Tomàs Marques al CNAG.
Job description: <p>The Comparative Genomics Group in the Comparative and Computational Genomics program of the IBE (http://www.ibe.upf-csic.es/) is willing to incorporate research technician before the end of September 2024. The candidate will be involved in experimental tasks related with NGS protocols (performing DNA extractions, library preparation, etc) and also in the basic bioinformatic analysis of the output sequencing results.</p> <p>The successful candidate will join studies genomic variation in apes and other primates, including population genomics, gene regulation and epigenetics. The group is located at the Evolutionary Biology Unit of the Pompeu Fabra University (http://www.upf.edu) and is part of the Barcelona Biomedical Research Park (http://www.prbb.org), a renowned center for Biomedical research that hosts, besides the University, other institutions such as the CRG (Centre for Genomic Regulation) or the EMBL. All these organizations share a thrilling and dynamic scientific atmosphere, driven by leading groups in fields such as bioinformatics, molecular biology and evolution. The PRBB is located close to Barcelona's City Centre (right in front of the beach).</p>

We are looking for a highly motivated candidate fulfilling the following requirements at the time of initiating the contract.

Information on the minimum requirements

- Bachelor/master's degree in Biology (or related disciplines) or a lab technician qualification

Other requirements

- Experience in molecular and cell biology.
- Skills on Bioinformatic analysis of DNA sequences.
- Knowledge of DNA and RNA extraction.
- Lab management.
- Someone who has highly developed organization skills.
- Someone who is highly motivated.
- Someone who can work in a group.
- Language skills: Spanish and English

Expected remuneration: a gross salary of 28.440,37€

Group and complement: Group 3 - U

Dedication and working time: part time, 25h weekly

Selection criteria:

1. *Academic background: 0-20 points.*
2. *Professional experience/Appropriateness to the proposed profile: 0-60 points.*
3. *Other achievements: 0-20 points.*

Minimum score to pass the selection process: 80 points.

Selection Committee:

President: Tomàs Marquès Bonet

Member 1: Alba Duch Larrégola

Member 2: Berta Alsina Espanyol

Information on the application process.

Send CV by mail to recruitment.melis@upf.edu. It is mandatory to specify the REF: MELIS-PSR-INDF-2024-47 in the email subject.

Deadline to submit applications: 19/09/2024
