looking for a research manager to coordinate the MM Strategic Programme. This creates the opportunity to devise new strategies to improve the dissemination of our activities, which will be carried out in collaboration with the Institutional Projection and Communication Unit. To accomplish these tasks, the DCEXS requires a Communication Officer.

**The Communication Officer role involves the following tasks:**

- Link between the DCEXS-FCSV and the media: sending press releases, suggesting interviews and reports.
- Upload content about the DCEXS and the FCSV to the UPF website.
- Upload content to the DCEXS- FCSV websites.
- Upload content related to the development of the MM project to the DCEXS- MM blog.
- Visibility within the PRBB: Ellipse, Open Day.
- Design and maintenance of the Biomed UPF Channel blog ([biomed.upf.edu](http://biomed.upf.edu)).
- Introduction of external content related to biomedical research.
- Maintenance of the Facebook and twitter accounts associated to the Biomed UPF Channel blog.
- Creation of contents and maintenance of the DCEXS – FCSV playlist of the UPF YouTube channel.
- MM outreach activities: organization of events, network with international journalists, news dissemination, etc.

**Project and Institution that finance the contract**
