

Date of publication of the job offer: 30/1/2020
Job title: Postdoctoral Position in Molecular Physiology
<p>Job description</p> <p>One postdoctoral position for two years is available to work in the PROJECT "HYPOGLYCOSYLATION OF Ca_v2.1 AND PIEZO CHANNELS: NEW PATHOLOGICAL MECHANISMS AND THERAPEUTIC TARGETS FOR NEUROLOGICAL DISORDERS IN PHOSPHOMANNOMUTASE 2 DEFICIENCY". The postdoctoral tasks associated to the research project will be developed over 2 years by the candidate with the support of all the members of the lab.</p>
<p>Project and Institution that finance the contract</p> <p>This contract will be funded by the Spanish Ministry of Science and Innovation (FEDER)</p> <p>Official number reference: RTI2018-094809-B-I00</p>
<p>Information on the minimum requirements</p> <p>Languages: A high level of English, written and spoken, is essential.</p> <p>Computer skills: High level of Office package (including powerpoint and excel).</p> <p>Experience: PhD in Biology or related discipline. Strong publication record with at least 4 articles as first author in international peer-reviewed and indexed journals. Background in Electrophysiology, Calcium Imaging, Neuronal Primary Cultures, Molecular Biology techniques, Western Blot analysis and/or Immunocitofluorescence. Experience in ion channels research will be a definitive advantage.</p> <p>Personality: We are looking for a highly motivated, dynamic and decisive PhD researcher, with capacity for planning and organization and used to work in teams.</p>
<p>Benefits of the opening:</p> <p>Contract as "Postdoctoral Position Type 1 (UPF)" according to regulations in force</p> <p>Estimated annual gross salary: 25.500 €</p> <p>Full-time position: 37.5 hours/week</p> <p>Place of work:</p> <p>Laboratory of Molecular Physiology Department of Experimental & Health Sciences Universitat Pompeu Fabra Barcelona Biomedical Research Park (PRBB) C/ Dr. Aiguader, 88, 08003 Barcelona</p> <p>Tentative Start date: 1st April 2020</p>
<p>Information on the application process:</p> <p>The interested candidates must send their CV and three reference letters to the address: jmanuel.fernandez@upf.edu, showing the reference POSTDOCTORAL MOLECULAR PHYSIOLOGY. All dossiers will be handled with confidentiality.</p> <p>The University Pompeu Fabra is an equal-opportunity employer.</p> <p>Deadline to submit applications: 21/2/2020.</p> <p>Contact: jmanuel.fernandez@upf.edu</p>
