

Date of publication of the job offer: 18/03/2022

Job title: PDC2021 - Project manager in translational synthetic biology

Job description

We are seeking a motivated candidate to occupy a hybrid position covering project management of the TSB laboratory and cell culture logistics. Our lab is focused in engineering novel genome editing tools and their application for developing more efficient and safer gene therapy technologies. Our lab is located at the PRBB in Barcelona (<http://www.prbb.org/>), one of the largest hubs of biomedical research of southern Europe. The Department of Experimental and Health Sciences - Faculty of Health and Life Sciences (DCEXS - FCSV; <https://www.upf.edu/cexs/>) at Pompeu Fabra University (Barcelona) is specialized in Biomedical Research (Cell and Molecular Biology, Molecular Medicine, Evolutionary Biology and Complex Systems, Biomedical Informatics, Genetics and Neurosciences, Biomedical Engineering, and Public Health and Education in Health Sciences).

Expected starting date: 19th of April of 2022.

Project and Institution that finance the contract

This contract will be funded by European Union "NextGenerationEU/PRTR; the Spanish Ministry of Science and Innovation - MICIN, and the Research State Agency – AEI, through "Plan de Recuperación, Transformación y Resiliencia" funding program

Official number reference:

MICIN/AEI-PDC2021-121730-I00/ AEI / 10.13039/501100011033

Information on the requirements

- *PhD in biology, biotechnology, genetics, experimental or health sciences; or equivalent relevant experience*
- *Relevant project management experience will be strongly valued.*
- *Previous experience in mammalian cell culture and transfection, molecular biology in general will be highly valued.*
- *Good time management and communication skills.*
- *Excellent team player who enjoys working in a fast-evolving research environment.*

Benefits of the opening:

The candidate will receive a full-time contract and an annual salary according to the UPF salary guidelines. She/he will be able to receive training in complementary through courses of Pompeu Fabra University and the PRBB Intervals Program.

*Contract as PSR (research assistant) according to regulations in force.
Department of Medicine and Life Sciences Universitat Pompeu Fabra
Barcelona Biomedical Research Park (PRBB)
c/ Dr. Aiguader, 88, 08003 Barcelona.*

Start date: 19/04/2022

Information on the application process

Please send the following documents:

- CV
- Cover letter

To the email address synbio@upf.edu with "RA and PM Application" and your name in the email title.

Confidentiality in document handling and equality of opportunities policy are guaranteed by Pompeu Fabra University.

Deadline to submit applications

10 de Abril 2022
