## Offer Description

The Department of Economics at Pompeu Fabra University is offering a ERC-funded (managed by Sandro Shelegia through FAPoD project Foundations for Antitrust and Policy on Digital Platforms-101044072-EUROPEAN COMMISSION)) postdoctoral position.

We are looking for an IO economist who specializes in the study of platforms and digital markets. Applicants are expected to hold a PhD degree in Economics by the time of appointment. The salary for the post will be competitive.

Applicants should provide a curriculum vitae, submit a copy of their job market paper, and provide three letters of recommendation.

The deadline to be considered for these positions is April 15th, 2023. Interviews will be conducted on an ongoing basis starting in January 2023. Selected candidates may give an online job talk.

For further information about Dr. Shelegia and the department please see: [www.sandroshelegia.com](http://www.sandroshelegia.com) and [www.econ.upf.edu](http://www.econ.upf.edu). For more details of the ERC project click [here](#).

## Requirements
