OFFER DESCRIPTION

Ruben Durante and Ruben Enikolopov (Department of Economics and Business at UPF) are looking to hire a highly motivated research assistant for a pre-doctoral position for next academic year.

The position is full time and will be based at UPF (Barcelona, Spain). The position starts in Summer 2022 for a duration of one year (with the possibility of an extension of one more year). Start and end dates are somewhat flexible.

The position is ideal for students with a long term interest in Political Economy and those who are looking for research experience in an academic setting prior to enrolling in a PhD in Economics. Indeed, previous RAs have gone on to join top doctoral programs at top U.S. and European schools.

The ideal candidate would have a strong quantitative background, excellent research and analytical skills, and experience working with Stata, Python, and other programming languages. Experience working with big data and knowledge of SQL is a plus. Curiosity, energy, initiative, and attention to details are also very important.

The position offers the opportunity to perform interesting and intellectually challenging work and to benefit from a vibrant academic environment, as well as a competitive salary.
