

**Job offer posted on 9 December 2021**

**Job title**

Research Assistant position funded by a Fundació BBVA grant

**Job description**

For a Fundació BBVA project led by UPF Professor Daniel Navarro, we are looking for a research assistant to organize and run scientific experiments (behavioral lab experiments), data analysis, and literature search.

The work will be carried out for Prof. Mikhail Spektor (<https://msspektor.github.io/>).

**Minimum requirements**

- Good knowledge of English
- BA or higher degree in the fields of Management, Psychology, or Sociology
- Basic knowledge of Python, R, or equivalent (e.g., Matlab, Julia, etc.)
- Fluent Spanish and/or Catalan (written and oral)

**Desired skills/experience**

- Ability to manage own work without supervision
- Strong communication skills
- Previous experience in a similar position

**Dates and remuneration**

Dates: January 2022 (ca. 50 hours); the exact dates will be agreed with the chosen candidate.

Remuneration is 20 EUR/hour to be paid upon submission of an invoice.

**Application process and deadline**

A CV and copy of relevant diploma(s) should be sent to Mariona Novoa at [mariona.novoa@upf.edu](mailto:mariona.novoa@upf.edu) no later than 17 December 2021.

Shortlisted candidates will be invited for a short Skype interview.

The successful candidate will be contacted via email once the selection has taken place.
