

Welcome to the third in-between conference seminar from the Section of Social Security Work and Health!

At this digital seminar we will aim to showcase the range of research going on within the research field by letting a number of researchers present their projects. We will also allow plenty of time for questions and discussions. We hope that many will take the opportunity to meet up and be inspired!

When? 14th of March at 13.00-15.00 2023 (CET)

The seminar is free, but you need to sign up beforehand to receive the link to the meeting. Please register by sending an email to b.krause@umcg.nl
