### Who we are

**GRITIM-UPF** is an Interdisciplinary Research Group on Immigration at the Department of Political and Social Sciences at Universitat Pompeu Fabra (Barcelona, Catalonia). It is made up of researchers from different disciplines, who are interested in aspects of innovation and management of change processes arising from human mobility and immigration. The group's main objectives are to promote theoretical and applied research related to political and social agendas and, in particular, to contribute to the definition of a Mediterranean approach.

### **Basic priorities**

### 1. Research;

- 2. Teaching and Training;
- 3. Knowledge Exchange and Capacity Building Promotion.

### More info
