

DEPARTMENT OF EXPERIMENTAL AND HEALTH SCIENCES

**CALL FOR APPLICATIONS: ERASMUS+ MOBILITY EXCHANGE AT THE UNIVERSITY OF
BOLOGNA FOR THE 2019-2020 ACADEMIC YEAR**

The Department of Experimental and Health Sciences offers 1 Erasmus+ exchange place to study in the University of Bologna during the 2019-2020 academic year.

1. Requisites

This exchange call is aimed at students enrolled in the Master in Bioinformatics for Health Sciences during the 2019-2020 academic year at Universitat Pompeu Fabra.

Only students with a B2 of English are eligible to this call.

Applicants must write a simple letter of motivation regarding this call and send it to the Master's Secretariat Office (masters.dcexs@upf.edu) before the 10th May 2019.

2. Entry requirements

To be eligible applicants must be enrolled in the Master in Bioinformatics for Health Sciences.

The academic commission of the Department of Experimental and Health Sciences will allocate the places on the proposal of the master's coordinator, Prof. Nuria B. Centeno.

Positions will be allocated to students of good academic performance, after a fair selection process according to merit and capacity criteria.

The resolution of this call will be published as of the 14th May 2019 and will be notified directly by email to the applicants.
