### Formative modules

---

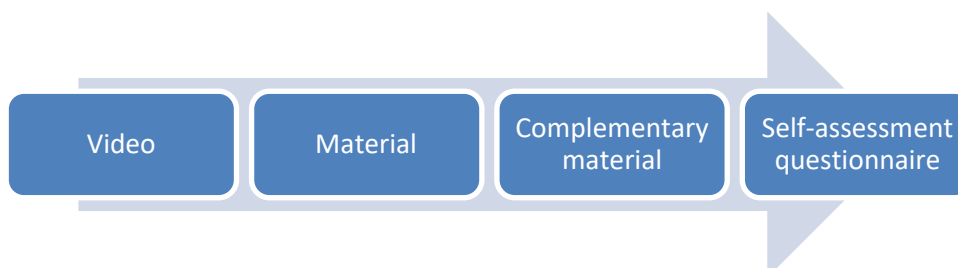

#### ➤ Online sessions

Via Aula Global which has been created for the FIDU programme.

Content of each of the 6 modules:

1. Institutional Content
2. Learning and Teaching in High Education (teacher: Mònica Feixas)
3. Teaching Methodologies (teacher: Judit Viñas)
4. Evaluate what we teach: Methods and Evaluation Tools (teacher: Mar Carrió)
5. Design a Course Plan (teacher: Diego Castro)
6. Create e-Portfolio with Mahara Tool

Each formative module will include:

- Video: introductory video about the content that will be treated (ideas and basic and general concepts) or a video to reinforce a key part of the content.
- Material that explains the topic in more detail: PowerPoint presentations, articles, links, blogs, book chapters, web seminars, etc.
- Self-assessment questionnaire: evaluate the comprehension and the retention of the participants about the content of the video and the reading.
