

Resolution Predoctoral contracts Department of Translation and Language Sciences

On the 10th of April the Department of Translation and Language Sciences (DTCL) of Universitat Pompeu Fabra issued a call for 4 predoctoral contracts for the 2019-2020 academic year. Due to recent budgetary restrictions, the department will offer 3 contracts instead of 4.

The selection committee (Drs Anna Espunya, Carmen Pérez Vidal and Sergi Torner) has decided to award one-year predoctoral contracts, renewable for a maximum of three years, to the candidates with the following ID numbers:

L5YW2P7H6
47847668D
41748430A

The alternate for any resignation among the three awardees occurring before the 31st of December 2019 is the following candidate:

45964291X

The decision is based on the following criteria:

- Academic transcript
- Adequacy to the teaching profiles of the degrees taught at the Faculty of Translation and Language Sciences
- Quality of research sample
