

Faculty of Economic and Business Sciences

2016/17 Course Catalogue

Courses marked with  had a very high demand last academic year. If you are planning to take any of them, you should apply as soon as possible

Some courses are identified as **MQA** (Advanced Quantitative Methods) these are high demanding courses with a strong quantitative content.

Prerequisite: good background in Mathematics.

Courses marked as **ECO** are third year courses in Economics and may require knowledge of Macroeconomics, Microeconomics or Econometrics. **Check carefully their prerequisites**

IBE is our degree in International Business Economics, **ECO** is Economics, **BA** is Business Administration, **MGT** is Management, **DD** is Double degree in Law-ECO/BA and **OPT** is elective. You can choose freely any of these courses.

You may check the **syllabus** by clicking on the course **code**. Please note that the information refers to the 2015/16 academic year and is subject to change/being updated.

IMPORTANT: courses in the same time slot are taught at the same time.
You can only choose one course per time slot, otherwise your lectures will overlap
