- PhD level
- English proficiency
- Experience in Spanish historical written sources of the 17<sup>th</sup>-19<sup>th</sup> centuries
- Knowledge of the maintenance activities approach (main topic of the PID research project)

## Submission of applications

Candidates must attach their CV, a letter of motivation [in PDF format] and a photocopy of their DNI/NIE/Passport and a copy of the Doctorate Degree.

Applications are submitted through the Interfolio Platform, to the address that will be made public on the Universitat Pompeu Fabra website:

<https://www.upf.edu/web/humanitats/convocatories-obertes>

## Benefits of the opening

This is an Open-ended contract for scientific-technical activities as stipulated in Article 23b of Law 14/2011, from 1st June, for science, technology and innovation.

It is renewable every year until the end of the Project in 2025 based on performance and research needs.

The selected candidate will work part-time (30 h per week), starting as soon as possible, with a gross monthly salary of 2.215,14 euros.

The contract includes all the benefits of the Spanish public health and social security system, as well as additional financial support for the participation in project-relevant conferences and scientific meetings.

The candidate will become a member of CGM-UPF.
